Mike,

Attached is the document we discussed over the phone. This document is responsive to a Freedom of Information Act request that was recently submitted to us regarding the Citizens Gas and Electric Superfund site in Council Bluffs, Iowa. You will note that on the first page your company has claimed confidentiality. Please advise as to whether your company would still like to claim confidentiality. If so, I will send you a Confidential Business Information substantiation request form for you to fill out. Please do not hesitate to contact me at the number below if you have any questions or would like to discuss further. Thanks again for your help!

Best,
